Josh & Zoe Loeb with Sophie Gayot

Last week, I heard that the owners of Rustic Canyon Wine Bar & Seasonal Kitchen, Josh and Zoe Loeb, had just opened a café and bakery in Santa Monica

Being a fan of Zoe's rustic pastries, I decided to check out Huckleberry Café & Bakery, and was impressed. Like Rustic Canyon, it features simple décor, somewhat noisy atmosphere, and quality products. Here, you will enjoy good home-style food, including sandwiches, salads, rotisserie chicken and sweets. It's worth the drive just for the sourdough country boule alone.

All items are available for takeout.
